

Eldercare Strike Team

Meeting – March 12, 2008

- Update on the latest from SCOAD. Meeting was 3/10 and the revised by-laws were discussed.
- Our Strike Team has been invited to present to the Healthcare Administrators Association on Thursday, May 22 at Sunnyside. Mike Day and Erin McLeod will co-present.
- Group discussed who's responsible for displaced SpNS patients. It was determined AHCA would provide discharge paperwork. Mike will invite the new AHCA rep to participate in our Strike Team meetings. They will have the answers about facilities and other issues regarding elder SpNS patients.
- We could also use representation from AAA and Red Cross – as storm season approaches, they may be more interested in becoming involved
- AAA will be at SFC on the morning of April 8 to unveil their plans for the ARC and host a Q&A session for the community partners and leaders

Next meeting: April 9 at 9:30
