

Elder Care Strike Team
May 14, 2008

AGENDA

5/22/08

Speaking engagement for the Healthcare Administrator assoc that will meet during lunchtime at Sunnyside Village. It 's our opportunity to explain who the Elder Strike Team is, how we fit into the pre/post disaster picture through SCOAD, and why we'd like to gather their contact information. Looking for at least one, maybe two, volunteer presenters.

Upcoming 6/5 exercise with SCOAD (now that one is a Thursday, and I will be in jury duty...so I'll need a rep from our Strike Team to participate).

AHCA and discharge planning from the SpNS shelters

Vulnerable populations discussion
