

**Information & Data Exchange  
Alliance of the Suncoast**

# National Founders

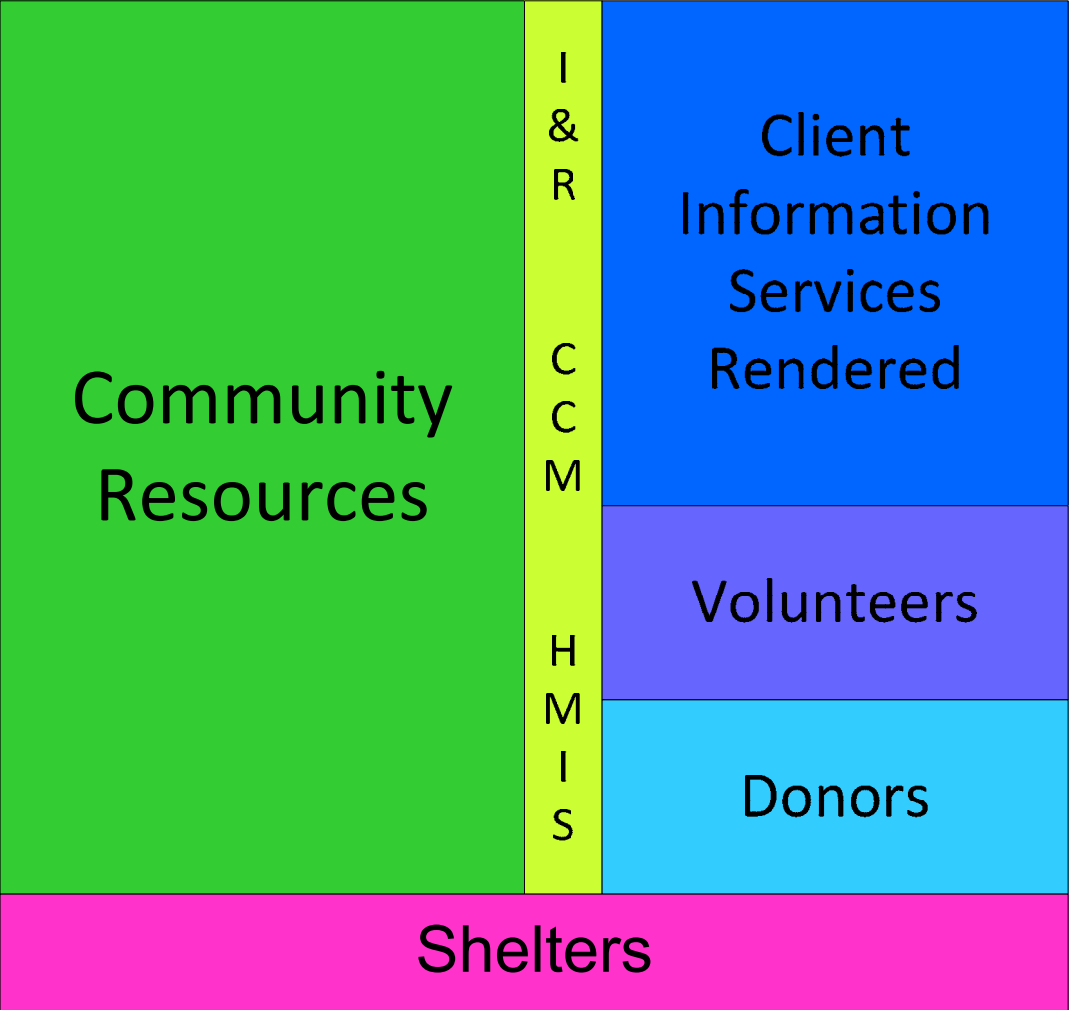

# Local Partners

- **Sarasota County**
- **Manatee County**
- **Sarasota County Health Dept.**
- **Senior Friendship Center**
- **Salvation Army**
- **Jewish Family and Children Services**
- **Suncoast Partnership to End Homelessness**
- **North Port Social Services**

# Brief History

- Sarasota County Health and Human Services seeks **CAN** inclusion.
- VisionLink (Tapestry) is the national provider of **CAN** software.
- Demonstrations ensue...

# Brief History (cont.)

- **CAN** designates Sarasota a “Friend of **CAN**”.
- Health & Human Services recruits partners (Manatee and Sarasota Counties, UW Manasota 2-1-1, etc.)
- County starts IDEAS project
- Sarasota County negotiates contract, and statement of work with VisionLink.

# **IDEAS Objectives**

- One common comprehensive community directory
- Common shared client data (with services received) across community
- Disaster response data coordination when needed, local or national
- Comprehensive reports for agencies and their funders

# Contract Contents

- Licensed for “Suncoast” area (12th Judicial Circuit).
- Annual support and hosting charge based on number of providers in service directory.
- Full base system
- Client Case Management module that is CAN compliant
- 2-1-1 Information and Referral module
- Volunteers, Donations & Shelters module

# What we're doing now

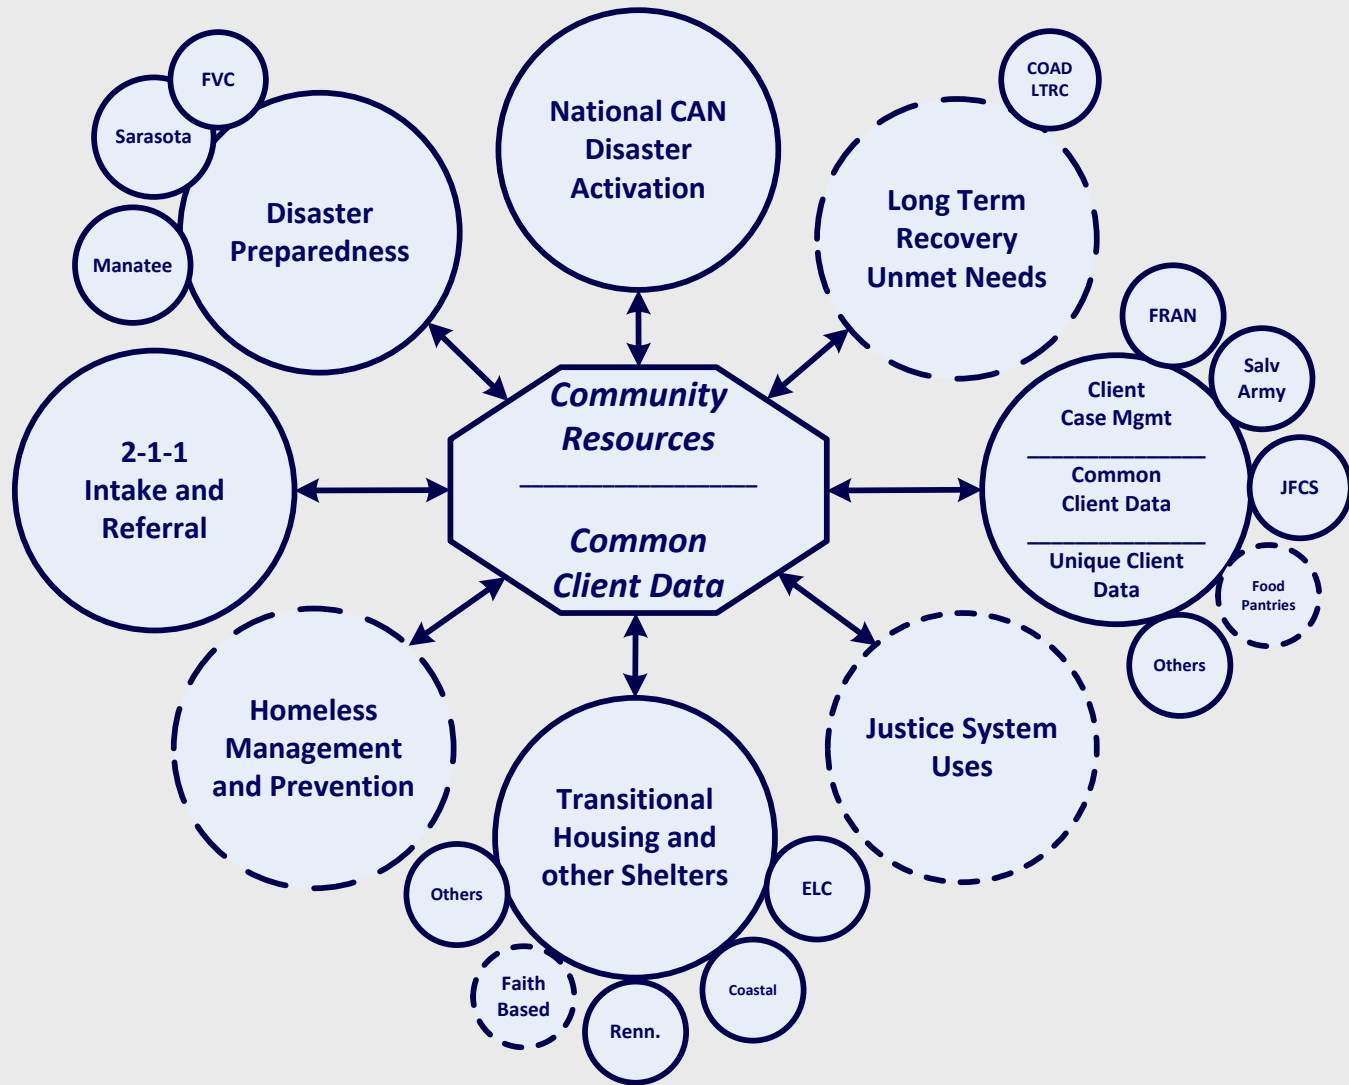

- Converted UW 2-1-1 Manasota I&R from IRis to Tapestry
- “Recover Suncoast” disaster portal
- Shelter Tool for Transitional Housing and Child Care Sites
- ESF15 registration
- “Blue Sky” client case management
- North Port Social Services
- FRAN triage

# FRAN

- **F** oreclosure
- **R** esource
- **A** ssistance
- **N** etwork

**Has evolved to address the total financial disaster affecting our community**

**Call 2-1-1 if you or someone you know need help staying in their home**

# Future Potential

- Unmet Needs and Long Term Recovery
- Disaster Shelter Management
- Homeless Management
- Donor Outreach
- Elder Care Case Management
- Community Donor site
- Community Volunteer site
- Youth Opportunities
- Mental Health
- Substance Abuse
- Justice Information

# Realizing Value

- Lower annual operational charges through reduction of duplicate systems, licensing and support, duplicate services rendered, fraud, etc.
- One system - not many. Core stable local system support staff
- Better data, better reports for funders and boards
- Improved client case management, improved service delivery for our community

**IDEAS**
