

LONG-TERM RECOVERY COMMITTEE

May 11, 2009 Meeting Notes

Present: Jamie Mahadeo Health and Human Services
 Bryan Pope Salvation Army
 Inaki Rezola American Red Cross
 Marion Sortore Florida VOAD
 Bruce Wismer Presbyterian Disaster Assistance

Discussion ensued regarding the Post-Disaster Redevelopment Planning Project. Members expressed concern that this plan will negate the need for a COAD Long-Term Recovery Committee. The question is whether the LTRC and the COAD even have a role. The focus of the larger effort seems to be post-disaster infrastructure recovery, not human services case management.

The committee will ask to meet with Ed McCrane and Scott Montgomery to discuss the role of the LTRC in the larger disaster planning effort. Until that is determined, there is no need to continue to meet.

Next Meeting

The next Long-term Recovery Committee meeting is scheduled for July 14, 2009 at 2:00 p.m. at the Health and Human Services Building, 2200 Ringling Boulevard, Room 226 (Auditorium).
